

## Amenti Haunted House Build/Strike Volunteer Schedule

Thank you for your interest in helping with the build and strike of the Amenti Haunted House located in the Egyptian Theatre (135 N. 2<sup>nd</sup> Street, Downtown DeKalb, IL 60115)

Please review the schedule on the following pages for October and November and let us know what shifts you are available to help. If you are with a group please let us know how many volunteers you have confirmed for each shift. Please provide your full name and a contact phone number.

### Some Notes:

- Volunteers should wear closed toe shoes and bring a pair of work gloves
- For a majority of build and strike, volunteers will be helping move 4' X 8' wood panels. Volunteers should be able to lift 50lbs and be mobile to go up and down stairs.
- Volunteers are asked to commit for an entire shift. It is difficult to accomplish much during a shift if volunteers are coming and going.
- A sign-in sheet will be provided at every shift and total hours can be provided to individuals and groups at the end of the event in November.
- # of volunteers listed for each day is per shift and will fluctuate depending on how much work is accomplished each day.

We could not do this event without volunteer support. We GREATLY appreciate all the hard work that volunteers contribute towards this event that makes it a success each year. All the funds raised during the haunted house go to the non-profit organization that owns and operates the historic Egyptian Theatre for the ongoing operating and maintenance costs.
